The University Club of Western Australia
35 Stirling Highway
Crawley, Western Australia, 6005

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 10.00am (WST) on 26 November 2011.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting on the date and at the place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

DATED: 10 OCTOBER 2011

BY ORDER OF THE BOARD

**SCOTT MISON
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2011 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.jupiterenergy.com/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

Under recent changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on the Resolution are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's 2012 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the Company's 2012 annual general meeting. All of the Directors who were in office when the Company's 2012 Directors' report was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2011.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

2.2 Proxy Restrictions

Pursuant to the Corporations Act, if you elect to appoint the Chair, or another member of Key Management Personnel whose remuneration details are included in the Remuneration Report or any Closely Related Party of that member as your proxy to vote on this Resolution 1, *you must direct the proxy how they are to vote*. Where you do not direct the Chair, or another member of Key Management Personnel whose remuneration details are included in the Remuneration Report or Closely Related Party of that member on how to vote on this Resolution 1, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to this Resolution 1.

2.3 Definitions

Key Management Personnel has the same meaning as in the accounting standards and broadly includes those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any director (whether executive or otherwise) of the Company.

Closely Related Party of a member of the Key Management Personnel means:

- (a) a spouse or child of the member;
- (b) a child of the member's spouse;
- (c) a dependent of the member or the member's spouse;
- (d) anyone else who is one of the member's family and may be expected to influence the member, or be influenced by the member, in the member's dealing with the entity;
- (e) a company the member controls; or
- (f) a person prescribed by the *Corporations Regulations 2001 (Cth)*.

Remuneration Report means the remuneration report set out in the Director's report section of the Company's annual financial report for the year ended 30 June 2011.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – BALTABEK KUANDYKOV

Clause 13.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Company currently has 4 Directors and accordingly at least 1 must retire.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election.

Baltabek Kuandykov retires by rotation and seeks re-election.

4. RESOLUTION 3 – PLACEMENT - SHARES

4.1 General

Resolution 3 seeks Shareholder approval for the allotment and issue of up to that number of Shares which, when multiplied by the issue price, will raise up to \$55,000,000 (**Share Placement**).

None of the subscribers pursuant to this issue will be related parties of the Company.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of Resolution 3 will be to allow the Directors to issue the Shares pursuant to the Share Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

4.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Share Placement:

- (a) the maximum number of Shares to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$55,000,000;
- (b) the issue price will be not less than 80% of the average market price for Shares calculated over the last 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus, over the last 5 days on which sales in the Shares were recorded before the date the prospectus is signed. The following example shows the number of Shares that may be issued using on various issue prices;

Issue price	No. of Shares to be issued
61.5 cents (closing Share price on 29 August 2011)	89,430,894
50 cents	110,000,000
65 cents	84,615,385
70 cents	78,571,429

- (c) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that allotment will occur on the same date;
- (d) the Directors will determine to whom the Shares will be issued but these persons will not be related parties of the Company;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and

- (f) the Company intends to use the funds raised from the Share Placement towards the continued development of the Block 31 permit, located in the Mangistau Basin, Kazakhstan. Funds will be put toward the drilling of at least 3 additional exploration wells, 3 production wells and the development of on field infrastructure for the storage and transportation of oil and gas to suitable facilities for additional processing and ultimate sale. Any remaining funds may be used for acquisition of additional acreage and additional working capital.

5. RESOLUTION 4 – ISSUE OF SHARES TO ERKIN SVANBAYEV AS RETIREMENT PAYMENT

5.1 General

Resolution 4 seeks Shareholder approval, pursuant to Section 200E of the Corporations Act and ASX Listing Rule 7.1, for the Company to give a benefit of up to US\$200,000 to Erkin Svanbayev (or his nominee) in connection with his retirement from his position at the Company to be satisfied through the issue of up to 266,667 Shares (**Retirement Payment**).

Erkin Svanbayev was a director of the Company from 14 June 2007 until 4 October 2010 and subsequently engaged by a wholly owned subsidiary of the Company as a consultant from 1 December 2010. The Company and Erkin Svanbayev have agreed to terminate the service agreement in consideration for the Retirement Payment.

The Retirement Payment is made up of two components:

- (a) US\$27,000, to be satisfied through the issue of 36,000 Shares for Erkin Svanbayev's notice period of 3 months; and
- (b) US\$173,000, to be satisfied through the issue of 230,667 Shares which are to be issued to Erkin Svanbayev as an agreed bonus payable subject to a number of conditions being satisfied and certain milestones being achieved, including the Company receiving approval for the extension of the Block 31 permit covered under Addendum 3 of Contract 2275.

5.2 Part 2D.2 of the Corporations Act

A company must not give a person a benefit in connection with a person's retirement from an office, or position of employment, in a company or related body corporate if:

- (a) the office or position is a managerial or executive office; or
- (b) the person has, at any time during the last 3 years before his retirement, held a managerial or executive office in the company or a related body corporate,

unless there is shareholder approval under Section 200E of the Corporations Act for the giving of the benefit or the termination benefits do not exceed the limits set out in Section 200F of the Corporations Act.

Erkin Svanbayev was a director of the Company from 14 June 2007 until 4 October 2010. In addition, it is the view of the Directors that the exceptions set out in Section 200F of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of Shares to Erkin Svanbayev in satisfaction of the Retirement Payment.

5.3 ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in Section 4.1 above.

The effect of Resolution 4 will be to allow the Directors to issue the Shares in satisfaction of the Retirement Payment during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

5.4 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the issue of Shares pursuant to Resolution 4:

- (a) the maximum number of Shares to be issued is 266,667;
- (b) the Shares will be issued no later than 3 months after the date of the General Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that allotment will occur on the same date;
- (c) the deemed issue price per Share will be US\$0.75;
- (d) the Shares will be allotted and issued to Erkin Svanbayev (or his nominee) who is not a related party of the Company;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) no funds will be raised from the issue as the Shares are being issued in satisfaction of the Retirement Payment owing to Erkin Svanbayev.

6. RESOLUTION 5 – REPLACEMENT OF CONSTITUTION

6.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 5 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in January 2003.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating the name of the Company;

- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <http://www.jupiterenergy.com/> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9322 8222). Shareholders are invited to contact the Company if they have any queries or concerns.

6.2 Summary of material proposed changes

Disclosure of interests in shares provisions (new clause 37)

The Company is seeking to have its Shares admitted to trading on AIM, operated by the London Stock Exchange.

A consequence of this is that Shareholders are obliged to comply (where necessary) with the notification and disclosure requirements set out in Chapter 5 of the Disclosure and Transparency Rules as set out in the UK Financial Services Authority Handbook (**DTR**) as if the Company were a UK domestic company.

The notification requirements operate in a similar manner to the substantial shareholder notice provisions of the Corporations Act. The primary difference is the minimum threshold is 3% under the DTR compared to 5% under the Corporations Act.

The Company also has the right to issue a disclosure notice to a person to obtain further information on their interest in securities of the Company. These provisions operate in a similar manner to the beneficial tracing notice provisions contained in the Corporations Act.

A person in default of a disclosure notice issued by the Company may be served with a direction notice that the shares in relation to which the default occurred shall not be entitled to vote at a meeting of Shareholders and where those shares represent at least 0.25% of the total number on issue (less any held in escrow) payment on those shares (i.e. dividends, return of capital) may be suspended other than in a liquidation and transfers not registered unless an approved transfer (i.e. acceptance of a takeover offer, on a recognised investment exchange or otherwise approved by the Board).

Partial (proportional) takeover provisions (new clause 35)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to Section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by Section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 6.

Dividends (clause 21)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (d) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (e) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (f) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.
