Dear Chris

Jupiter Energy Limited (ASX: JPR) – Response to ASX Price Query

We refer to your letter dated 22 April 2020 regarding an ASX price query (Price Query) and respond to your questions as follows:

- 1. Is JPR aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

No

- 2. If the answer to question 1 is “yes”:**

- a. Is JPR relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in JPR's securities would suggest to ASX that such information may have ceased to be confidential and therefore JPR may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.**

Not applicable.

- b. Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).**

Not applicable.

- c. If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

Not applicable.

not fall within the exceptions mentioned in Listing Rule 3.1A, JPR's obligation is to disclose the information "immediately". This may require the information to be disclosed before the deadline set out in the previous paragraph.

ASX reserves the right to release a copy of this letter and your response on the ASX Market Announcements Platform under Listing Rule 18.7A. Accordingly, your response should be in a form suitable for release to the market. Your response should be sent to me by e-mail at ListingsCompliancePerth@asx.com.au. Listing Rules 3.1 and 3.1A

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities. Exceptions to this requirement are set out in Listing Rule 3.1A. In responding to this letter, you should have regard to JPR's obligations under Listing Rules 3.1 and 3.1A and also to Guidance *Note 8 Continuous Disclosure: Listing Rules 3.1 – 3.1B*. It should be noted that JPR's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in JPR's securities under Listing Rule 17.1. - the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.
