Dear Chris

Jupiter Energy Limited (JPR or the Company) – Trading Halt Request

Pursuant to Listing Rule 17.1, Company requests that ASX grant a trading halt with respect to the Company's securities whilst it works with the corporate regulators and other relevant parties to better understand what has led to the recent irregular trading in the Company's shares on 22 and 23 April 2020, despite two ASX initiated pauses in trading on both days. The Company has also responded to an ASX price query received on 22 April 2020 and another on 23 April 2020.

The Company requests that the trading halt remain in place until the earlier of commencement of trading on Tuesday, 28 April 2020 or the time that the Company is able to make an informed announcement to better explain this recent trading activity.

The Company is not aware of any reason why the trading halt should not be granted and does not have any other information about the trading halt that is necessary to inform the market.

Yours sincerely

Geoff Gander
