### **Jupiter Energy Limited (Jupiter or the Company) – Voluntary Suspension Request**

Pursuant to Listing Rule 17.2, Jupiter requests a voluntary suspension over the Company's securities from the commencement of trade on Tuesday, 28 April 2020.

In accordance with ASX Listing Rule 17.2, the Company provides the following information regarding the request:

- The reason for the request of the voluntary suspension is to allow further time for the Company to work with the corporate regulators and other relevant parties to better understand what has led to the recent irregular trading in the Company's shares on 22 April 2020 and 23 April 2020, despite two ASX initiated pauses in trading on both days. The Company has responded to an ASX price query received on 22 April 2020 and another on 23 April 2020.
- The Company expects the voluntary suspension to end prior to the commencement of trading on Friday 1 May 2020, when it anticipates it will be in a position to make an informed announcement to better explain this recent trading activity.
- The Company is not aware of any reason why the voluntary suspension should not be granted and does not have any other information about the voluntary suspension that is necessary to inform the market.

Yours sincerely
